Welcome

Thank you for considering a Donor-Advised Fund (DAF) with Renaissance Charitable. You're joining a community of Donors who value flexibility, efficiency, and measurable impact in their giving. This guide explains how to establish and manage your DAF, contribute a wide range of assets, recommend investments and grants—domestically and abroad—and create a legacy plan that reflects your values.

Use this guide as a practical reference throughout the year. It includes details on contribution methods, gift valuation and tax considerations, eligibility rules for grants, investment choices, and fees. It also outlines our online tools, privacy commitments, and where to go for specialized assistance.

► About the DAF Program

A Donor's guide

► Helping your philanthropy go further

You know how gratifying it is to support a worthy cause. What if you could create an enduring legacy through your charitable contributions?

Increase your impact

Many times, charitable decisions are made in a year-end rush to capture tax-deductions, rather than taking a planned, long-term approach to charitable giving that can allow our contributions to grow into a more substantial amount over time, increasing the overall impact of our gifts.

The decision to give is easy, but knowing the best way to give may not be. If you are looking for a way to make your giving more effective while maximizing the tax benefits of your philanthropic activities, look no further than Renaissance Charitable.

This DAF Program is sponsored by Renaissance Charitable, an independent public charity dedicated to helping individuals effectively reach their philanthropic goals.

Renaissance Charitable can serve as an effective, flexible and efficient vehicle to meet your charitable goals. The DAF Program has been designed to simplify your annual giving by allowing you to contribute appreciated assets when you feel the timing is right, and then make grants over time to the charities of your choice. Setting up your DAF account is simple, cost-effective and convenient. You will be able to work in concert with your financial advisor to recommend the appropriate investment strategy for your charitable giving DAF.

The DAF Program can provide you with the following benefits:

- Ability to donate complex and privately held assets
- Separately Managed Accounts (\$5,000 minimum)
- Wide range of recommended investment options
- Convenient online access and service
- Low minimums for contributions and grants
- Account Values updated quarterly

► Benefits of the DAF Program

Few charitable giving options provide the versatility and tax efficiency of a DAF. Renaissance Charitable provides many significant benefits. As Donors, you can:

Maximize your giving power

You have the ability to work with Renaissance Charitable to invest your charitable assets in a strategy that allows them to grow tax-free, enhancing your ability to recommend grants long into the future.

Donate appreciated assets tax free

When you contribute appreciated assets to your DAF, you can deduct their full fair market value from your taxes and avoid capital gains tax liability. Contact Renaissance Charitable to learn more about the different asset types you can contribute to your DAF.

Separate tax planning and charitable decisions

You can realize immediate tax advantages and recommend grants to charity later. A DAF eliminates the pressure of having to select and donate to a charity by year-end.

Online access

With the ability to view comprehensive account information, research charitable organizations or recommend a grant, you can fully manage your DAF account online.

Simplify your giving

A DAF with the Renaissance Charitable offers an efficient means of managing your charitable giving by removing the need to write and track checks for tax reporting.

Streamline record keeping

Renaissance Charitable provides consolidated reporting and record keeping. You receive quarterly DAF account statements from the program and a gift receipt.

Give anonymously

You may choose to recommend charitable grants anonymously, keeping your name and personal information confidential.

Create a legacy of giving

You are able to name active DAF Grant Advisors who have the ability to recommend grants from your DAF account and select successor Grant Advisors who can also recommend grants to continue your charitable legacy beyond your lifetime.

► **Make the most of tax deductions**

In addition to having the ability to claim an immediate tax deduction, the DAF Program provides you the flexibility to recommend grants whenever it best suits you, opportunity to lower your current taxes, and the convenience of being able to more easily track and plan your charitable activities for future tax years.

► **Maximize giving through tax-smart strategies**

► **DAF and Private Foundation: A Comparison**

Donor-Advised Funds are most often compared to Private Foundations yet there are some very distinct differences between the giving vehicles. Both gift types can work independently but can realize tremendous giving potential when used in concert. Some of the differences include:

	DAFs	Private Foundations
Startup expense and speed to create	No start-up costs and can be created immediately	Can be expensive and take months to create
Donors may select account name	Yes	Yes
Privacy	Anonymity permitted	No anonymity permitted
Vehicle Excise Taxes	Rare	Rare
Tax deduction limits*	60% of adjusted gross income for cash gifts; 30% of adjusted gross income for Stock or Real Property gifts	30% of adjusted gross income for cash gifts; 20% of adjusted gross income for qualifying stock. Deduction for all other property limited to lesser of cost or fair value and 20% of adjusted gross income.
Required Distribution	None (*Renaissance Charitable reserves the right to require distributions)	5% annually of the net asset value however distributions can be made to a DAF
Investment options	Separately managed accounts with wide-range of investment options.	Foundation manager chooses investment advisor and has wide range of investment options.
Administration, Annual Filings and Compliance	No tax returns or filing requirements	Foundation must file a tax return, conduct a financial audit, and conduct its own compliance

*Income tax charitable deductions greater than these limits may be carried forward five additional years.

Did you know both a DAF and a Private Foundation can be the beneficiary of a Charitable Lead or Charitable Remainder Trust? The experts at Renaissance Charitable can show you how to create your own charitable strategy.

► Establishing your DAF

Opening a DAF is easy. Work with your financial advisor to open the DAF via our online application. Below are some guidelines to assist you:

1. Designate DAF Donors

In addition to yourself, you can name additional Donors who are joint contributors to the DAF.

2. Name your DAF

Choose a name for your DAF. For example, you may want to name it after your family or have it reflect the charitable goals of the account (for example, "The Smith Family DAF" or "The Smith Charitable Giving DAF.") Renaissance Charitable reserves the right to amend the name of the DAF if necessary.

3. Name Grant Advisors

You can name one or more individuals as active Grant Advisors to your DAF, who will also be able to recommend grants. Many individuals get their children involved in charitable giving through their DAFs.

4. Create a Legacy Plan

You may name one or more successor Grant Advisors or charitable beneficiaries to your DAF. A successor Grant Advisor is afforded all advisory privileges of a Grant Advisor upon the death of all the original Grant Advisors, and has the ability to make contributions, recommend grants and name advisors and future successors. If you prefer, upon the death of all original Grant Advisors, you can name a charity or charities as the recommended DAF beneficiary to receive either all of the remaining assets in the account or a percentage annually subject to program requirements (Endowment Program). You may opt to have either an individual successor(s) or charitable beneficiary(ies), but not a combination of both. This selection can be changed by using the Account Information Change form signed by the current, active Grant Advisors listed on the DAF.

Successor Advisors

Your named successor Grant Advisors will receive the same privileges you had as a Grant Advisor for the DAF.

Charitable Beneficiaries (Terminal Grants)

Upon the death of all Grant Advisors, grant(s) will be paid out either as a one-time grant or recurring grant recommendations to the eligible charitable beneficiary(ies) you recommend.

5. Select a charitable area of interest

To honor your charitable intent, and in the event successor Grant Advisors are unavailable or unable to make decisions, you need to indicate a charitable organization or area of interest you would like your DAF to support. You could include a specific charitable organization, a university, a particular field of research (such as cancer or heart disease) or an area of interest (such as environmental protection or support for the arts).

In the event that your DAF ceases to make grant recommendations for three consecutive years, Renaissance Charitable will make reasonable attempts to contact you or your designated successor Grant Advisors. If Renaissance Charitable cannot contact either, it will direct grants from the DAF, and will endeavor to support your recommended charitable area of interest.

► Funding Your DAF

Your contribution to the Renaissance Charitable DAF is an irrevocable charitable donation, fully deductible to the extent usable by the contributor on the date it is received by Renaissance Charitable. The extent of your deduction depends on the type of asset being contributed, as well as your particular tax situation. Please consult your legal or tax advisor.

Cash contributions

Cash contributions are eligible for a federal income tax deduction of up to 60% of your adjusted gross income (AGI) in the tax year in which the contribution is made. If your contribution exceeds this limit, you may be able to carry the deduction forward up to five years.

Publicly traded securities

For assets personally held one year or more, the deduction is the average of the high and low prices of the security on the date of the contribution. You may generally deduct up to 30% of your AGI for contributions of appreciated securities personally held more than one year.

For securities personally held for one year or less, the deduction is the smaller of the cost basis or FMV on the contribution date. If your contribution exceeds this limit, you may be able to carry the deduction forward up to five years. Mutual Funds may be contributed but will require additional time for processing.

Closely-held business interests

Deduction is FMV for assets personally held over one year; Assets held one year or less, the deduction is the smaller of the cost basis or FMV on the contribution date. The Donors may deduct the FMV on the date the contribution is made. The IRS requires a qualified appraisal for any contribution of a closely-held business interest when Donors intends to claim a deduction of more than \$5,000.

Careful steps need to be taken whenever 'hard-to value' assets are contributed to a charity such as a DAF sponsor. Contributions must be approved by Renaissance Charitable prior to transfer.

Real estate

Deduction is FMV for assets personally held over one year. For assets held one year or less, the deduction is the smaller of the cost basis or FMV on the contribution date. The IRS requires a qualified appraisal for the contribution of most non liquid assets if the Donors intend to claim a deduction of \$5,000.

► Deferred Contributions

Your DAF can be named as the beneficiary of, and receive distributions from, a charitable bequest, charitable remainder trust, charitable lead trust, qualified retirement plan or private foundation. "Renaissance Charitable" should be named for deferred contributions in care of the DAF in the DAF Program. Renaissance Charitable will review and approve all contributions.

Once your contribution has been accepted, you, or your estate, will receive confirmation and a gift receipt for your records. If for any reason a contribution is not accepted, it will be returned to the account of origin.

Third-party contributions

Friends, family, and other Donors may contribute to your DAF and may be eligible for their own tax deductions. Renaissance Charitable reserves the right to deny third-party contributions. Third-party contributors do not receive advisory privileges and may not receive goods or services in connection with their gifts.

The DAF Program's sponsoring charity is Renaissance Charitable located in Indianapolis, Indiana. Contributions to a DAF in the Renaissance Charitable DAF program are irrevocable gifts to Renaissance Charitable, which maintains exclusive legal control over the contributed assets. Individuals considering a contribution to the DAF should consult their legal and tax advisors regarding deductions, based on their personal considerations.

When making additional contributions to an existing account, always add a Planned Contribution by selecting "Plan a Contribution" once you have logged into rcf.donorfirstx.com.

Grant Advisors may, without prior approval from Renaissance Charitable, engage in personal one-on-one solicitations of a friend to give a gift in accordance with the terms of this Guide so long as the gift is 100% deductible to the Donors and there is zero value returned to the Donors. Mass solicitations (sent to more than 10 persons at a time) are never allowed without specific prior written approval by the Renaissance Charitable's President.

► Investment Options

Investment philosophy: Your recommended investment selection should reflect your time horizon and grantmaking cadence. Near-term grant plans favor higher liquidity; longer horizons may suit diversified growth allocations.

Separately Managed Accounts

For larger DAFs with a minimum contribution of \$5,000 you may recommend a separately managed account overseen by your investment professional under our program guidelines and approval. See Fees & Expenses for the minimum and fee schedule details.

If you do not provide an investment recommendation, contributions may be placed in a capital-preservation option until you select an allocation. We retain fiduciary authority over available offerings and may update them over time.

► Investing Contributed Assets

Each time you make a contribution to your Renaissance Charitable DAF, the process below is followed for investing contributed assets:

Cash

The net proceeds of cash contributed will be invested.

Publicly traded stock, bonds and mutual funds

Securities, including mutual funds, may be either held or sold in accordance with Renaissance Charitable's investment policy. Should Renaissance Charitable's determine contributed securities should be liquidated, the financial advisor may invest the net proceeds in accordance with Renaissance Charitable's investment policy.

Closely-held business interests

Renaissance Charitable's is required by law to sell most interests in a closely-held business within five years after the contribution is received. After the shares are sold, Renaissance Charitable will work with the financial advisor of record to invest the net proceeds.

Real estate or other non-liquid assets

All non-liquid assets accepted by Renaissance Charitable may either be held or sold. Donors and their financial advisors can recommend specialists to assist with the sale as appropriate. The net proceeds of the sale of non-liquid assets will be invested.

► Recommending Grants

Once your DAF account is Funded, you can begin recommending grants to charitable organizations. You and your designated grant advisors can recommend grants from your DAF to qualified charitable organizations at any time. Each grant must be a minimum of \$250 and the number of grants you may recommend each year is unlimited.

Grant Requests

Grant requests may be submitted through the online Donor portal at rcf.donorfirstx.com by either you, your designated grant advisors, or your financial advisor.

Grant Review

Upon receipt of your grant recommendation, the charitable organization will be reviewed as to its eligibility to receive a grant from the DAF. Grant recommendations are reviewed on a daily basis.

Grant Distribution

Once your recommended grant has been approved, a distribution via check or ACH accompanied by a grant letter will be sent directly to the charity. You may choose to have the letter acknowledge you, the account name or a special acknowledgment (for example, in memory of a person, group or event) or the grant may be made anonymously.

Typically, the charitable organization will receive the grant within two weeks.

Need help researching a charity?

You can use the non-profit search engine, or GuideStar, available on your online dashboard (recommend a grant button on dashboard), to research and locate any charitable or 501(c)(3) organization in the United States. The search result includes the mission of the charity or nonprofit and the information required to recommend a grant to the organization.

Liquidation Policy: In its sole discretion, Renaissance Charitable will determine the timing and execution of a sales strategy for any asset, including contributed assets, and reserves the right to sell at any time. Generally, Renaissance Charitable's liquidates contributed assets only after associating a contribution with its Donors. Some assets, such as large positions and shares traded on a foreign exchange, may take multiple trading days to liquidate. At its sole discretion, Renaissance Charitable's may engage a third-party broker or a trading desk to determine and execute a selling strategy. Any costs, including commissions, incurred in managing or liquidating an asset will be paid from the sale proceeds. Market fluctuations and costs to liquidate an asset may cause the net liquidation proceeds of a contributed asset to be worth more or less than the value of the contribution to the DAF. Any income or gains within a DAF account resulting from investment growth is exempt from taxes but is not deductible.

► **Approved Charities**

Grants can be made to qualified charities and nonprofit organizations that have been approved by the Internal Revenue Service (IRS) as able to receive tax-deductible contributions from a DAF.

Qualified charities and nonprofits:

Public nonprofits

Grants may be made to charities located anywhere in the United States that are recognized by the IRS as publicly supported charities. Grants also may be made to private operating foundations.

Religious and educational

Most established religious organizations and educational institutions are not listed as 501(c)(3) nonprofits but are nevertheless tax-exempt charitable organizations.

Foreign charitable organizations

You may recommend a grant to a foreign charitable organization. Additional due diligence and administration of the grant may be required prior to approval of the grant. If applicable, fees may be charged to the DAF account for any additional due diligence and administration costs. Additional grant processing time should be expected.

Restrictions

Grants may not be made to a private non-operating foundation, to individuals, or to a disqualified Supporting Organization.

Additionally, grants may not be used to pay for membership fees, dues, tuition, benefit tickets or goods bought at auctions, nor may they be used to fulfill a pre-existing binding pledge to a charitable organization.

► **Administrative Fees**

Each DAF is subject to annual administrative fees payable to Renaissance Charitable as set forth below, with a minimum fee of \$250 annually. This fee is prorated and charged against each DAF’s account at the beginning of each quarter, based upon the DAF balance on the last day of the previous quarter. The assets in each DAF, each of which may carry its own fees and underlying expenses, are typically invested in marketable securities. The Renaissance Charitable DAF Program reserves the right to charge additional fees for extraordinary or special services. The designated financial advisor(s) for the DAF are responsible for satisfying administrative fees invoices from the associated investment account.

DAF Program Fee Schedule

Quarter-End DAF Balance Annual Basis Point Rate		
First	\$500,000	0.65%
Next	\$500,000	0.35%
Next	\$1,500,000	0.25%
Above	\$2,500,000	0.20%

Minimum Annual Fee: \$250

International grants and custom agreements

Additional fees apply due to the extra diligence, monitoring, and documentation required.

Complex asset acceptance

Legal, tax, appraisal, environmental, or other third-party costs associated with reviewing or liquidating complex assets are charged to the DAF. Donors may be asked to pre-fund estimated diligence costs.

Short-term account considerations

If a very high percentage of contributed assets is granted shortly after funding, an additional short-term account fee may apply. Please contact us for details.

► Combined Fee Structure Illustration for Separately Managed DAFs

Once funded, your DAF will be subject to the combined fees above. The following illustrates the combined fees as applied to \$1,000,000 DAF.

A DAF with a balance of \$1,000,000 will be assessed an administrative fee of 0.65% or 65 basis points, per dollar for \$500,000 and then 0.35%, or 35 basis points, for the remaining \$500,000.

Example Outlined:

- DAF Account Balance = \$1,000,000

Administrative Fees (payable to Renaissance Charitable)

- 0.65% annual Administrative Fee on first \$500,000 = \$3,250
- 0.35% annual Administrative Fee on next \$500,000 = \$1,750
- Total Annual Administrative Fees = \$5,000

Fees can vary based on fluctuation of account balance or market value change.

Renaissance Charitable reserves the right to charge additional fees for extraordinary or special services. Non-exclusive examples of extraordinary and special services include: grants to foreign organizations; grants to Supporting Organizations described in §509(a)(3) of the Code; grants to organizations that have not yet obtained an IRS letter clarifying their §509(a) status; and if the DAF (with or without prior Foundation approval) engages in fundraising activity or produces an event such as a golf tournament.
